

18 Appendix

18.1 Further documentation

Catalog DA21	Converters
Catalog DA21E	Spare parts
Catalog DA22	Cabinet-mounted converters

Comments sheet

We have made every effort to critically edit this Instruction Manual. However, if you still come across printing errors, we should be grateful if you would let us.

We would also be grateful if you could let us have your opinion of this Instruction Manual and the converter itself!

Contact your local Siemens office for any comments - either negative or positive!

Many thanks!
